Strategic Priority/ Contractual priority	IMPROVE <i>(Work together to optimise and drive consistent delivery of community services, reducing inequalities)</i>	INTEGRATE <i>(With wider partners, facilitate community physical and mental health services integration with developing neighbourhood models at place)</i>	INNOVATE <i>(Take a lead role within the system to develop and deliver innovative models of care and use of technology)</i>
Creating an integrated delivery environment and culture	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Building healthier and resilient communities	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Supporting more people at home (directly impacting on capacity required in acute sector)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Productivity and cost improvement	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Are there any risks in the report that need to be noted, escalated on the risk register or added to the Board Assurance Framework?

None at present

Glossary for acronyms in report (if any)

CVD = Cardio Vascular Disease. Cardiovascular disease (CVD), also called heart and circulatory disease, is an umbrella name for conditions that affect your heart or circulation. These include high blood pressure, stroke and vascular dementia.
